

Ramon Henriquez

954-851-3522 | ramonhenriquez301@gmail.com | Plantation, FL

Summary

IT Support professional with 4+ years of experience supporting healthcare, managed services, and government environments, with hands-on exposure to cybersecurity operations including security monitoring, incident response, malware remediation, and endpoint detection and response (EDR). Proven ability to investigate security alerts, remediate threats, and support Active Directory, Microsoft 365, and network infrastructure. Associate of Science in Information Technology with a concentration in Cybersecurity. CompTIA Security+ scheduled for May 2026 and actively pursuing a SOC Analyst role.

Experience

Seventeenth Judicial Circuit of Florida | Fort Lauderdale, FL

Systems Technician II | 09/2025 - Present

- Responded to help desk tickets and service requests, delivering technical support and end-user training for court applications and standard business software.
- Provided operational maintenance and support for desktops, laptops, printers, scanners, and other peripheral devices across courthouse locations.
- Maintained accurate inventory records for IT equipment, peripherals, and software assets.
- Installed, configured, upgraded, and customized Windows operating systems, application software, and associated hardware.

IT Services Express | Hallandale Beach, FL

Technical Support Specialist | 10/2023 - 09/2025

- Monitored and managed client endpoints using N-able RMM and N-able EDR to identify malware detections, security alerts, and system health issues.
- Assisted with administration of Microsoft Active Directory, file servers, user accounts, permissions, and backup systems to support secure access and business continuity.
- Configured and deployed network infrastructure, including switches, routers, firewalls, wireless access points, and IP surveillance systems.
- Supported backup and disaster recovery operations by monitoring backup jobs and verifying successful restoration of critical client data.
- Delivered remote and onsite IT support for small and mid-sized business clients, resolving hardware, software, network, and user access issues.

Elevate ENT Partners | Miami Lakes, FL

IT Help Desk Technician | 07/2021 - 10/2023

- Provided technical support to clinical and administrative staff via phone, email, and remote tools.
- Supported healthcare applications, resolving login, workflow, and system issues.
- Performed workstation deployment, imaging/reimaging, software installation, and hardware troubleshooting.
- Managed user accounts, password resets, and access permissions in Microsoft Active Directory and Microsoft 365.
- Documented incidents and resolutions in the help desk ticketing system while maintaining Health Insurance Portability and Accountability Act compliance.

Education

South Plantation High School | Plantation, FL

High School Diploma | 05/2019

Graduated while simultaneously completing a postsecondary technical certificate program in Accounting Operations.

Keiser University | Pembroke Pines, FL

AS Information Technology, Concentration in Cybersecurity

- Graduated with coursework focused on networking, systems administration, and cybersecurity fundamentals.
- Completed hands-on training in Windows administration, network security, and troubleshooting.
